University of Stuttgart

For all who want to shape the world of tomorrow:

Professional Qualification in Artificial Intelligence

## Challenging Applications (X)

Artificial Intelligence Software Academy

AISA

Artificial Intelligence (AI)

What is AISA?

VISION

Equip you with **needed tools**, **methods** and **didactic skills** to trigger **acceptance of novel technology** in your field

AISA Infra-structure

AISA Training

AISA Research

PhD

MSc

AISA Certificate

PhD Program

Software Engineering (SE)

What is in it for you?

For whom is it?

- Do you **study** (any subject) **at the University of Stuttgart**?
- Are you **interested in AI**?
- Do you want to **build or expand your knowledge** about **AI / SE / X**?

Register now:

aisa.uni-stuttgart.de/training

An **innovative multi-level certificate programme** that precisely matches your **individual qualification needs**
